UNDETERMINED METERS:

These meters are being charged monthly but consistently have no usage. Please investigate meters and disable meter if not necessary to avoid monthly charges.

Meter# 10: No usage.

2/8/2017 - WMT performed an isolation test on this meter with Frank Taise. WMT will update this meter after irrigation isolation tests are performed. Meter is currently closed.

3/10/2017: Meter was turned off by WMT on 2/8/17. Our Irrigation team ran an isolation test on 2/17 to determine if shutting off the meter would affect Irrigation. Findings conclude that this meter services nothing on the property.

Pressure Testing:

Unable to obtain all individual building pressure readings due to lack of hose bibs on some buildings at site inspection. Please schedule interior readings at one unit per building (water heater/kitchen or bathroom faucets) to register each building's water pressure. Each building has a designated pressure regulator on the main inlet line to properly adjust after obtaining pressure readings (if necessary).

These are the buildings with visible hose bibs.
